

SABRIFRESH, INC.

Is a subsidiary of the Mexican company Sabrimex, S.A. de C.V. whose activity is the commercialization of fresh produce in Europe: Germany, England, France, Italy, Spain among others, and in Asia: Japan, China and South Korea, for more than 25 years.

We handle the highest quality available in the market, as well as the necessary certifications and regulations in each market: PrimusGFS, Global Gap, GRASP, as well as the SMETA social responsibility certification. We import directly and in many of our products we control the production and the packaging with our own staff. We can tailor the fresh produce and also frozen items to suit your packaging and sizing needs.
